

**The Rector of the International University of Logistics
and Transport in Wrocław**

Marcin Pawęska, PhD, is a graduate of a renowned European university – the Erasmus University Rotterdam, as well as the Wrocław University of Economics. In the years 2003-2004, while still studying, he worked as an assistant at the Department of Innovation Management at the Erasmus University in Rotterdam. The university, appreciating the achievements of its graduate, nominated Marcin Pawęska, PhD, in 2013 to the prestigious Distinguished Senior Leader Award.

Following his university studies, he worked in the United Kingdom as a business analyst, manager and consultant for 5 years. He advised companies such as Cisco, Microsoft, Viessman, Bosch, Samsung, Panasonic and LG. At this time, while working in a global consulting company, he was responsible for projects worth several million pounds.

Between 2009 and 2016 he was the president of the CL Consulting and Logistics company, and since 2010 also the Vice-Chancellor at the International University of Logistics and Transport in Wrocław. During this time he also managed European research and development projects in the field of transport, market analysis or optimization of storage processes. Moreover, he conducted logistic audits and projects concerning the improvement of logistics processes.

Between 2011 and 2014 he presided the team of experts on logistics and transport processes of the Polish Academy of Sciences in Wrocław region.

Since 2012, he has been the president of the Chartered Institute of Logistics and Transport CILT (UK) - Poland, the prestigious Polish branch of the institute in the TFL industry, bringing together over 34,000 members worldwide.

In 2015, he became a member of the Mobility Council, appointed by the Mayor of the City of Wrocław, whose aim is to give opinions on issues related to transport questions in the city.

In 2016, Marcin Pawęska, PhD, was appointed a member of the Senate of the International University of Logistics and Transport and served as the Chancellor of this university.

In 2017, he was appointed the Rector of the International University of Logistics and Transport in Wrocław.

Since 2017, he has been a member of the Conference Presidium of Polish Vocational Schools Rectors.

Marcin Pawęska, PhD, has several years of experience in strategic and logistic consulting. He is the promoter of knowledge and science in the fields of logistics and management. He lectures at universities around the world. He obtained the title of visiting professor at the following universities: Ningbo University of Technology, China; Université Internationale d'Agadir, Morocco and National Aviation University, Ukraine.

Marcin Pawęska, PhD, is the author and co-author of numerous scientific publications, studies and organizer, co-organizer and participant of conferences and seminars related to the TFL and associated industries.
