

Prof. Marcin Pawęska, PhD

Rector of the International University of Logistics and Transport in Wrocław

Prof. Marcin Pawęska, PhD is the graduate of the renowned European university – the Erasmus University of Rotterdam, as well as the graduate of Wrocław University of Economics, where he simultaneously completed individual studies. In 2003-2004, while still studying, he worked as an assistant in the Department of Innovation Management at Erasmus University in Rotterdam. Recognizing his achievements, the university nominated Marcin Pawęska for the prestigious Distinguished Senior Leader Award in 2013.

After graduation, he worked in England for five years as a business analyst, manager and consultant. He advised companies such as Cisco, Microsoft, Viessman, Bosch, Samsung, Panasonic and LG. During that time, he also worked for a global consulting firm, where he was responsible for projects totaling several million pounds.

From 2009 to 2016, he was the president of the CL Consulting and Logistics company. Moreover, since 2010 he had been the pro-rector at the International University of Logistics and Transport in Wrocław. During that time, he also supervised European research and development projects; as well as projects in transportation, market analysis and warehouse process optimization. Meanwhile, he conducted logistics audits and logistics process improvement projects.

From 2011 to 2014, he was chairman of the Expert Subgroup on Logistics and Transport Processes of the Polish Academy of Sciences in Lower Silesia Region.

He has been the president of the Chartered Institute of Logistics and Transport CILT (UK) – Poland since 2012, which is a prestigious Polish branch of the TSL industry institute with more than 34,000 members worldwide.

In 2015, he became a member of the Mobility Council established by the President of Wrocław, which aims is to provide opinions on issues concerning transportation problems in the city.

In 2016, he accepted the appointment to the Senate of the International University of Logistics and Transportation and to function as the university's chancellor.

In 2017, he was appointed the Rector of the International University of Logistics and Transport in Wrocław.

Since 2017, he has been a member of the Presidium of the Conference of Rectors of Professional Schools of Poland (KRZaSP).

In 2023 he was honoured Doctor Honoris Causa of National Aviation University in Kiev.

Prof. Marcin Pawęska, PhD, has several years of experience in strategic and logistics consulting. He promotes the popularization of knowledge and science in logistics and management. He lectures at various universities around the world. He has received the title of visiting professor at the following universities: Ningbo University of Technology, China; Universite Internationale d'Agadir, Morocco; and National Aviation University, Ukraine.

Prof. Marcin Pawęska, PhD, is the author and co-author of numerous scientific publications, studies, as well as the organizer, co-organizer and participant of many conferences and seminars related to the TSL and related industries.
